Aiden is a nine-year-old from Eagan with leukemia. He enjoys riding his bike, playing basketball and going paddleboarding.

It is Aiden's wish to go to Walt Disney World® Resort. He has always wanted to experience the magic of Disney® by meeting characters and going on rides. Aiden is looking forward to collecting autographs from all of his favorite character's, especially the Minions. This trip will give Aiden and his family an escape from the stresses of every day life and the opportunity to spend some quality time together.
