

## *I wish to go to San Diego*

**Claire, 3**  
congenital heart defect  
Vadnais Heights

Claire is an energetic three-year-old who loves playing outside with her friends, reading *Where The Wild Things Are* and watching the Disney<sup>®</sup> movie *Moana*. She also enjoys fishing, playing in water and has a passion for animals.

Claire's love of water and animals inspired her wish to go to San Diego, California! When her wish came true in February, she was thrilled to see all the amazing and exotic animals at the San Diego Zoo, and couldn't wait to spend time playing in the ocean. This wish gave Claire and her family the chance to relax, and spend time with each other away from the daily stress of her critical illness.
