

I wish to go to Walt Disney World[®] Resort

Nathaniel, 8
genetic disorder
Woodbury

Nathaniel loves bold, bright colors like red, yellow, and blue. He enjoys spending time with his family especially when he can listen to music with his uncle. His favorite movie characters are Minions and The Incredibles and his favorite game is Qwirkle.

For his wish, Nathaniel chose to go to Walt Disney World[®] Resort. At Disney, Nathaniel could embrace his love for bright and bold colors, visit with his favorite characters, and go on rides for the very first time.

Through his wish, Nathaniel engaged in activities with his family that he wouldn't be able to do at home due to the limitations of his medical condition.
